

God's Covenant With Noah

9: 1-17

For over a year **God** had been silent, but now **He** speaks to **Noah** in response to **Noah's** sacrifice in faith that was pleasing to **Him** after leaving **the ark**. There is a fresh start for humanity. The Dispensation of Conscience is over and the Dispensation of Civil Government had begun. Mankind would govern itself. We see some of this in **God's** covenant with **Noah**.
