

Joseph and Potiphar's Wife

39: 1-18

When we return to the story of **Joseph**, we discover that he is much different than **Judah**. It seems that **Yosef** and Benjamin got a great deal of teaching, instruction and personal attention that the other boys did not receive. They seemed to be the only two boys in whom Isra'el was interested. But in spite of that, **ADONAI** would be faithful to **His** promises and continue to work through this family.

The LORD is always behind the scenes when human evil is present, and **He** works in the lives of those who are faithful to prosper their service. **Joseph** is no exception. **His** faithfulness to **God** was the means of **his** advancement in and out of **Potiphar's** house.⁵⁹³
